

# New Look. Same Great Formula.

Ever since it was invented, Evapo-Rust® has had a single goal – to provide the most effective means of removing rust without harming your old metal parts and antiques – it’s why we created EVAPO-RUST with a water-based, non-corrosive, reusable formula. While our tried-and-true formula has not changed, one thing has...our fresh new look!

With a clean, simplified, consistent look across the entire product line, CRC EVAPO-RUST products are easy to recognize as the best solution for all your rust removal needs.

 **Solutions to Keep You Moving™**
