

GDI SERVICE PACK

GDI engines are the technology of the future and while they are smaller, more efficient and more powerful, they require special cleaning and maintenance to run properly.

Only CRC offers your best defense against carbon deposit buildup on GDI engines. The CRC GDI Service Kit includes 5 premium CRC products PROVEN to clean hard deposits from GDI intake valves and the entire fuel system! Restore power, MPG and keep your engine running at optimum performance.

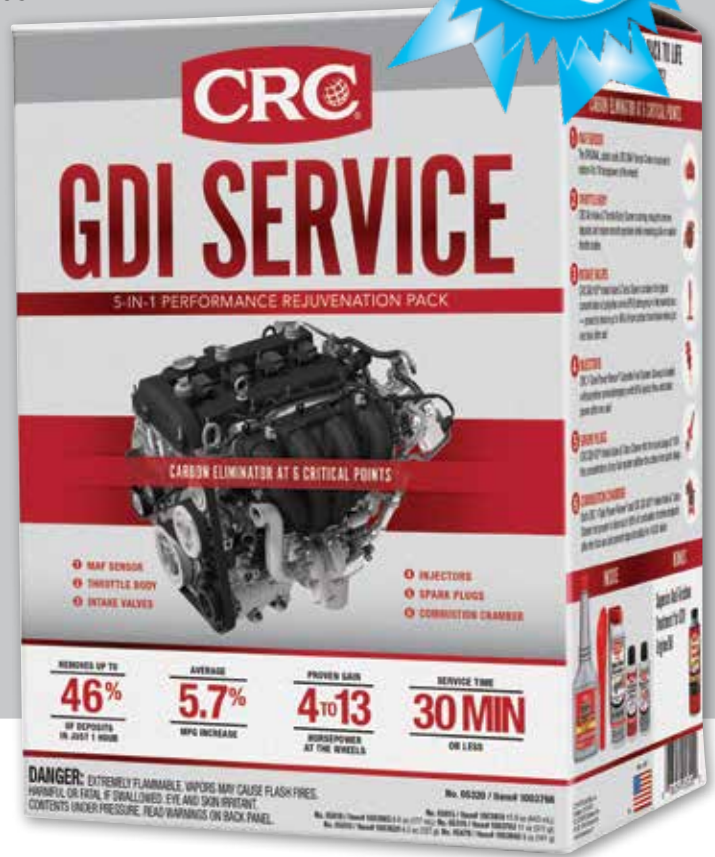

Eliminates Carbon at 6 Critical Points: MAF Sensor, Throttle Body, Intake Valves, Injectors, Spark Plugs, Combustion Chamber.

- ▲ PROVEN to remove up to 46% of GDI intake valve deposits in the first hour after use
- ▲ PROVEN to gain 4 to 10 horsepower at the wheels
- ▲ AVERAGE 5.7% MPG increase
- ▲ EASY to use

A GDI engine service is recommended every 10,000 miles to prevent harmful carbon buildup and maintain maximum engine efficiency.

GDI SERVICE PACK

5 Premium CRC GDI Service Products in 1 Convenient Pack!

CONTENTS

- ▲ **1-TANK Power Renew®** is proven to increase MPG an average of 5.7% and restore 99% of power loss due to carbon build up.
- ▲ **GDI IVD® Intake Valve & Turbo Cleaner** contains groundbreaking technology reaching intake valves at 150X the cleaning power of any premium fuel system additive. It's the first product proven to clean damaging deposits from GDI engine intake valves.
- ▲ **Mass Air Flow Sensor Cleaner** is the first product specifically developed to clean mass air flow sensors. PROVEN to gain 4-10 horsepower at the wheels!
- ▲ **Throttle Body & Air Intake Cleaner** cleans gum and varnish from the throttle valves and throttle body.
- ▲ **Friction Guard® For Oil** is a concentrated friction reducer that increases MPG, reduces wear and scoring on cylinder walls and prevents compression leaks.
